Barbara Pauline Burger  
9844 S. Glenmoor Ct.  
Oak Creek, WI. 53154

Attention Honorable Robert D Drain,

I Barbara Pauline Burger, object to the following motion in case No. 05-4481 (RDD)  
Delphi Corp. to be heard on November 18, 2009 at 10:00 AM.

Motion objected to as follows:

REORGANIZED DEBTORS' MOTION FOR ORDER UNDER 11 U.S.C. & 105 AND  
FED. R. BANKR. P. 7041 AND 9014 (1) DISMISSING CERTAIN OFF-CALENDAR  
MOTIONS AND CONTESTED MATTERS AND (11) OVERRULING,  
WITHDRAWING, OR OTHERWISE DISMISSING OR DEEMING MOOT CERTAIN  
OBJECTIONS LODGED IN CONNECTION WITH PROCEDURES SET FORTH IN  
DEBTORS' 2007 SOLICITATION PROCEDURES MOTION

("MOTION TO DISMISS OFF-CALENDAR MOTIONS AND OVERRULE MOOT  
OBJECTIONS").

Please take notice that I am not asking for Post petition Interest in my claim. I have  
never been party to the interest rate dispute or received any contact concerning this  
matter. Why then, am I grouped with other Delphi employees who are seeking interest in  
Exhibit B-1 per Debtors and their Legal Council?

My argument is clearly stated in Legal Documents provided by General Motors and  
Delphi Corporation's for Life Time retirement benefits for salaried employees. (See  
attached documents 1 and 11.

Please take further notice that I continue to seek claims for Life Time Retirement  
Benefits for Salaried Employees.

I understand the need for this matter to be resolved, therefore, please hold Debtors  
(Delphi) responsible for their Retirement Benefit agreement with myself, a retired  
salaried employee.

My claim number is 6468 and my docket number is 18894.

Thank you for your attention,

Sincerely,

  
Barbara Pauline Burger

## Questions and Answers

### **H**ow will the separation of Delphi from GM affect my pension?

A. When the new Delphi is formed, the Delphi Retirement Program for salaried employees will carryover the terms of the GM plan. Credited service will not be broken by the creation of Delphi as a separate company and will be carried over under the Delphi plan. The terms of GM's Retirement Program for salaried employees which will be the basis for the terms of the Delphi plan are competitive with our direct competitors and other Fortune 100 companies. As is done today at GM, Delphi will continue to conduct annual reviews of Delphi's compensation and benefit packages to remain competitive.

### **Q.** How will the separation affect my pay?

A. The separation will not change the base salary that you receive today. Delphi will continue an annual review to benchmark our pay levels against other companies with which we compete for talented employees. Delphi's base salaries are competitive with the elite companies included in the benchmarking study.

### **Q.** Will Delphi employees be able to receive discounts on General Motors vehicle purchases? Like Option 1 and Option 2?

A. The GM employee vehicle discount program is the subject of discussion with General Motors to determine if it can be extended to Delphi employees after the separation. Management understands this is very important to employees and will continue working to resolve this issue. As soon as we have an answer to these questions, we will advise the workforce.

### **Q.** What about Product Evaluation Program (PEP) car drivers? Will this program be continued?

A. Delphi will not be eligible to operate the exact same type of program available to GM as a U.S. vehicle manufacturer. Changes will occur to the company car program. We are now developing a Delphi company car program.

### **Q.** What will happen to my insurance programs?

A. When the new Delphi corporation is formed, we intend to have insurance programs which carry over the coverages of the GM programs.

### **Q.** The normal time for enrolling in Flex benefits is coming this fall. Will we have the same enrollment process and benefits?

A. Flex '99 enrollment will occur this fall and all Delphi salaried employees should

C. Any Contested Matters Regarding Payment Of Postpetition Interest On General Unsecured Claims Under The Confirmed Plan Are Now Moot

15. Under the Confirmed Plan, holders of general unsecured claims, other than TOPrS claims, were to be entitled to payment of postpetition interest from the petition date through December 31, 2007 at either (i) the Michigan statutory rate or (ii) at the applicable contractual non-default rate. Pursuant to the order granting the 2007 Solicitation Procedures Motion, entered on December 10, 2007 (Docket No. 11389) (the "Solicitation Procedures Order"), the Debtors distributed a notice regarding postpetition interest rate to thousands of affected claimants as part of their solicitation package (the "Interest Rate Notices"). In the event parties disputed the rate set forth in the Interest Rate Notices, the notices contained procedures for parties to follow to assert an interest rate other than the Michigan statutory rate.

16. After receiving these notices, 55 parties challenged the Michigan statutory rate (the "Interest Rate Dispute Parties"). A list of the Interest Rate Dispute Parties is attached hereto as Exhibit B-1.<sup>3</sup> Under the Modified Plan, however, holders of general unsecured claims are not entitled to postpetition interest. Accordingly, each of the contested matters between the Debtors and the parties identified on Exhibit B-1 is now moot. Therefore, the Reorganized Debtors request entry of an order withdrawing the Omnibus Postpetition Interest Objection and deeming these contested matters moot.

---

<sup>3</sup> The Debtors objected to the notices submitted by the Interest Rate Dispute Parties pursuant to their Debtors' Omnibus Objection To Claims For Postpetition Interest (Docket No. 12833) (the "Omnibus Postpetition Interest Objection").
